1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are customers of Carolina Water, and are herein protesting a request for an unfair rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We had recently relocated from New Jersey, where our monthly water bill was 1/3 the cost of our Carolina Water Co. water bill, with the same approximate usage. In addition, a couple of our neighbors have Lexington water Co. and their bill is approximately 1/2 ours, with the same numbers of residents. If Carolina Water is so poorly managed that they need to charge such unrealistic rates, then maybe it is time for them to be audited by your commission so that the residents of community can be treated equally and not taken advantage of in the manner that Carolina Water has so readily done. Their rates are exorbitant at this time, and rather than asking for an increase, I believe that a Public service Commission audit would disclose the necessity of a refund to Carolina Water Co. customers, or at very least a rate reduction.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

Yes, I would.
